

Otter Lake Cottagers Association

Objectives

The *Otter Lake Cottagers Association* consists of cottagers and their families who own property on the lake and pay annual dues to the Association. The Association objectives include:

1. To acknowledge, respect and preserve those qualities of beauty and natural environment that have already been created by those who came before us.
2. To share an ongoing vision for Otter Lake to ensure that current and future generations will enjoy unspoiled water, scenic vistas, islands, hills, forests and rugged topography.
3. To provide and protect diverse and sustainable natural heritage of plants, fish and wildlife in and around the lake.
4. Maintain a tranquil ambiance that nourishes peace and relaxation yet also provides for family fun and recreational options.
5. To preserve a traditional cottage atmosphere of low density without commercial development on or adjacent to the shore line.
